CERTIFICATIONS

- MERN Stack Web Development
 - APNA College
- REACT 5 days course
 - Let's Upgrade
- Cascading Style Sheet
 - Hacker Rank
- JavaScript (Basic to Intermediate)
 - Hacker Rank

PROJECTS

Password Manager

- PassX is a secure password management web application designed to simplify password organization and enhance security. Features include encrypted password storage, user-friendly interface, cross-platform accessibility, password generator, secure sharing, optional two-factor authentication, and audit trail functionality.

Tetris game

- Developed a classic Tetris game as a web application, featuring intuitive controls and addictive gameplay. Implemented using HTML, CSS, and JavaScript, with focus on responsive design for seamless play across devices. Deployed on Vercel for easy access.

Soundify

- Developed a vibrant web application, Soundify, using HTML and CSS. The platform allows users to explore and stream their preferred music tracks with ease. Leveraging Spotify's API for seamless integration, Soundify offers an intuitive interface for music discovery and playback

EXTRA-CURRICULAR ACTIVITIES

- Corporate and Relationship Head | IADC SC
- Volleyball | Cricket | Table-Tennis
